## RIESLING 2021

### TASTING NOTES

Turkish delight and jasmine invite you to further explore this stunning wine. The classic Riesling nose evokes fond memories of grans' fresh-out-the-oven cookies with renosterveld honey and orange zest on the finish. Best enjoyed watching the sunset savouring satay chicken kababs.

### WINEMAKERS COMMENTS

Riesling's aromatic subtlety, racy acidity and gracious aging potential, makes this a stand-out varietal that truly reflects the Nitida terroir.

After experiencing three of the driest winters back to back followed by a cool dry 2020 summer and the vineyards responded with smaller, more concentrated berries. With careful canopy management we managed to keep a natural fresh acidity in the grapes.

We harvested the Riesling on the 26th of March. The juice were left on the skins for 6 hours before a gentle pressing to extract as much of the flavour compounds without losing any of the freshness.

The wine was left on the lees for 4 months before racking it off the lees and a light filtration before bottling.
